### KHADI DAY

On 2<sup>nd</sup> Oct 2019 Mahatma Gandhiji's 150<sup>th</sup> birth anniversary was celebrated with great gusto across the country.

Gandhiji in his "Young India" newspaper said that "Khadi can unite us as nothing can else" and also remind his preferred fabric too. Gandhiji used Khadi as a means of strengthening self-reliance and sustenance of rural India. Khadi is a symbol of independence, self-reliance, patriotism and reminds us of the National Movement. Mahatma Gandhiji made Khadi, a weapon to fight against the British Mill which manufactures clothes during the Non-Cooperation movement in India.

To commemorate Gandhiji's contribution to India and imbibe his values of simplicity in day to day life, college has decided to take an initiative of having 'Khadi Day' once in a week. All teachers and students of the college are responsible for implementation of Khadi Day by wearing Khadi on every Monday. Wearing Khadi once in a week is a symbol of celebrating of Gandhiji's birth anniversary in a true way and spirit.

The main objective of observing 'Khadi Day' once in a week (On every Monday) is to promote the importance of indigenous handicraft amongst the young students. Khadi is recognized for its simplicity, decency, independent nature and represent the indigenous culture. Khadi is comfortable and also skin friendly fabric to wear as per The Indian weather.

To mark the Swadeshi Movement, wearing Khadi is a matter of pride for all of us. So, college administration wish to see all teachers and students in Khadi clothes at least once in a week to evoke the feel of nationalism among the students.
