## STUDENTS COUNSELLING

**Survey (SSS) by NAAC**

**Have your say in quality improvement**

Dear Students,

NAAC (National Assessment and Accreditation Council) has announced to conduct a Student Satisfaction Survey (SSS) that will establish and encourage the accreditation process. The Survey will capture student's responses from the list of students provided by the Higher Education Institutions (HEIs). This survey is conducted directly by NAAC to give an opportunity to the students to have their say in providing and creating improvement areas.

NAAC is sending online link of the survey to the email address of the student provided by the HEI, and the student will have to complete and submit the survey in a stipulated time.

**Rate your Institution**

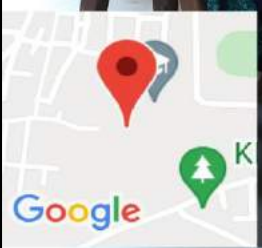

The questionnaire is based on the Likert type scale that means the students will have to give responses on a scale of 0 to 5, with 0 being the most positive response being given and 5 being the most negative response being given. The data collected from the survey is being used in a software which will aggregate the responses and generate the scores of Student Satisfaction Survey which is used to assess the overall grade of the institution.

**Identity Not Disclosed**

Students are randomly selected for the survey by software. Except for the students who do not respond to the survey, the identity of the students who have responded to the SSS will not be disclosed throughout the process. More details on survey are available on NAAC website: <http://www.naac.gov.in> apply now

**Improvements**

There are 30 to 40 suggestions in the questionnaire and from students can be identified that it is survey areas continuous (students
