About the BLDE Association.....

An educationally backward the then undivided Bijapur District had a bright ray of hope when the Bijapur Liberal District Education Association (B.L.D.E. Association) was originated on 23-10-1910 with the sole aim of educating the people of this area under the bold and revolutionary leadership of Vachana Pitamaha Dr. P. G. Halakatti with its head office at Vijayapur. Literary lovers like Sri S. A. Sirdesai, Sri. Mallappa Desai, Sri. S.A. Deshmukh, Sri Babasaheb Sirdesai and Sri A.C. Angadi (Advocate) shouldered the developmental responsibility of the Association from 1915 to 1940. His Holiness Sri Bantanal Sangana Basava Swamiji blessed and graced it to another phase of growth for a period of 26 years from 1943 to 1969. Timely and liberal donation of 54 acres of land made by Smt. Bangamma Sajjan to the Association marked and encouraged it to anchor its foundations yet more firmly.

The Former Minister, Pioneer Architect and General Secretary of the Association Late Sri B. M. Patil and Late Sri B. D. Jatti, Ex Vice President of India devoted their entire life to modernize the Association to bring it to its zenith in all respects. The dedicated service and sacrifice of all the pioneers and torchbearers is written in golden letters in the annals of history of Association.

Despite the fact of drought hitting this area almost every year, the Association is making a steady and sure progress in the field of education. The Association is carrying a great mission of imparting quality education and regenerating traditional and cultural values of life.

The present President and Minister for Water Resources, Govt. of Karnataka Dr. M. B. Patil has now been running the Association with his utmost dedication, service, enthusiasm and able administration which have been appreciated and recognised every where. Under his charismatic, elite and lively leadership, the Association has progressively been rushing forward by leaps and bounds. He has been a main voice in revolutionising and enlightening this backward area on modern lines.

The present office bearers Sri B. R. Patil (Lingadalli) and Sri V.V. Nimbale as the Vice-Presidents and Sri G. K. Patil as the General Secretary & Treasurer have joined their co-operative hands to keep the light and glory of the Association glowing brightly and proudly. They have been sparing their time and energy in the preparation of plans to project the Association to national level.

Thanks to the dauntless spirit of the governing body. In a span of a 104 years, the Association has become one of the premiere educational institutions in Karnataka. It is note worthy that the Association has been running

75 educational institutions today, including an engineering and a medical college. B.L.D.E. University has been established in the year 2008. Each institution is unique of its kind pursuing academic excellence. Credit goes to all who have worked hard to realize the dreams and desires of people of this area.

Jamkhandi is a historic place once ruled during pre-independence days by Raja Patwardhan of Poona. Foresighted Raja Patwardhan was a lover of education and started educational institution at higher secondary level in a giant building in the heart of the town. He extended his co-operation and support for spreading education till the last day of his regime. There were no higher educational institutes in Jamkhandi for the aspirants of this area to pursue higher education. However, Raja Patwardhan continued his support and help by inviting outstanding students of this area to Poona for continuing higher education in S. B. College and provided free board and lodging facilities even during post-independence days. This was not sufficient enough to cover all the people belonging to economically, educationally, socially backward classes.

The need arose to fulfill the basic demand of the common people. Under such circumstances, selfless service organisation, the B.L.D.E. Association started Commerce, B.H.S. Arts and T.G.P. Science College at Jamkhandi in 1963 and housed in the beautiful palatial buildings situated on the hillocks of Jamkhandi. The College has been permanently affiliated to Rani Channamma University, Belagavi.

The liberal donation from Smt Bhagirathibai Hanumantagouda Savakar of Bidari (B.H.S.) and Sri Gurusiddappagouda Patil of Tungal (T.G.P.) made the task of providing the necessary infrastructure to this college more simple. The college was named after the donors to commemorate it. Started with a meager number of just 200 students in the beginning, the strength has now risen up to more than 5000. By envisioning the instinctive talents of this semi-urban area, this college has been adding knowledge and experience to the students of Krishna River belt in its own unique way.

The college has been imparting education in Arts, Science, Commerce, BBA & BCA at the under graduate level i.e. B.A., B.Sc., B.Com., B.B.A., B.C.A. and M.A. (History & Archaeology), M.A. (Political Science), M.Com., and M.Sc. (Mathematics) at the post graduate level and has become attractive centre for students from far and wide. The college has celebrated silver jubilee during the academic year 1990-91 and heading to celebrate golden jubilee

during next year. The college was existed as a composite degree college and taught both at PUC and first Degree level till 2002. The composite Degree college was bifurcated into Pre-

University College and Degree College in the year 2002. Since then it is functioning as independent Degree College. Over the period of 53 years, the college has also recorded in its name in producing graduates who have now been serving in national and international sceneries.

The trained and well qualified teaching and non-teaching staff of the college is doing its best. To add academic flavour to it, the college includes 25 Ph.D. and 19 M.Phil laureates to its privilege.

N.C.C., N.S.S., Scouts & Guides, Placemen Cell, Youth Red cross, Nature Club and S.W.O. wings of the college have been functioning to fulfill the aims and objectives satisfactorily, for which they have been formed. There are well-equipped laboratories and library with large number of books including volumes of recent editions and publications. Computer Science, Physics and Electronics, Bio-tech departments have also been shaping the students to fit them for technical jobs. Well-furnished sports department has been training the students to the standards of University blues in various games every year. The college has produced national and international level sportsmen. Since the inception of the college, it is known for its mode of conduct of examination and is a model in the entire area coming under the jurisdiction of the Rani Channamma University. So far 57 students of our college have secured ranks at the University level till the last academic year 2014-15.

Swimming Pool, Ladies hostel, Gents hostel, Health Fitness Centre, Historic Mammoth Polo ground, Botanical garden with special and very rare species and campus with over 54 acres 31 guntas of land are the special features of this college. The college Library is housed in B.L.D.E. Association's Centenary Memorial Building which was constructed during the academic year 2010-11 at a cost of Rs. 1.14 crore and was inaugurated at the holy hands of Poojya Sri Shiddeshwar Swamiji of Jnan Yogashram, Vijayapur.

The college was recognised by the University Grants Commission and was included in the list of 2(f) and 12B of the UGC Act, 1956. The college has been re-accredited by the National Assessment and Accreditation Council (NAAC) with "A" grade during the academic year 2009-10. The college has submitted Self Study Report to NAAC for 3rd cycle accreditation. The Peer Team committee from NAAC is to visit the college tentatively during the month of August 2016. The College Development Committee has been guiding, supervising and facilitating to improve the campus activities qualitatively.

About the BLDE Association....

An educationally backward the then undivided Bijapur District had a bright ray of hope when the Bijapur Liberal District Education Association (B.L.D.E. Association) was originated on 23-10-1910 with the sole aim of educating the people of this area under the bold and revolutionary leadership of Vachana Pitamaha Dr. P. G. Halakatti with its head office at Vijayapur. Literary lovers like Sri S. A. Sirdesai, Sri. Mallappa Desai, Sri. S.A. Deshmukh, Sri Babasaheb Sirdesai and Sri A.C. Angadi (Advocate) shouldered the developmental responsibility of the Association from 1915 to 1940. His Holiness Sri Bantanal Sangana Basava Swamiji blessed and graced it to another phase of growth for a period of 26 years from 1943 to 1969. Timely and liberal donation of 54 acres of land made by Smt. Bangamma Sajjan to the Association marked and encouraged it to anchor its foundations yet more firmly.

The Former Minister, Pioneer Architect and General Secretary of the Association Late Sri B. M. Patil and Late Sri B. D. Jatti, Ex Vice President of India devoted their entire life to modernize the Association to bring it to its zenith in all respects. The dedicated service and sacrifice of all the pioneers and torchbearers is written in golden letters in the annals of history of Association.

Despite the fact of drought hitting this area almost every year, the Association is making a steady and sure progress in the field of education. The Association is carrying a great mission of imparting quality education and regenerating traditional and cultural values of life.

The present President, former Member of Parliament and Minister for Water Resources, Govt. of Karnataka Sri M. B. Patil has now been running the Association with his utmost dedication, service, enthusiasm and able administration which have been appreciated and recognised every where. Under his charismatic, elite and lively leadership, the Association has progressively been rushing forward by leaps and bounds. He has been a main voice in revolutionising and enlightening this backward area on modern lines.

The present office bearers Sri B. R. Patil (Lingadalli) and Sri V.V. Nimbale as the Vice-Presidents and Sri G. K. Patil as the General Secretary & Treasurer have joined their co-operative hands to keep the light and glory of the Association glowing brightly and proudly. They have been sparing their time and energy in the preparation of plans to project the Association to national level.

Thanks to the dauntless spirit of the governing body. In a span of a 104 years, the Association has become one of the premiere educational institutions in Karnataka. It is note worthy that the Association has been running 75 educational

institutions today, including an engineering and a medical college. B.L.D.E. University has been established in the year 2008. Each institution is unique of its kind pursuing academic excellence. Credit goes to all who have worked hard to realize the dreams and desires of people of this area.

Commerce, BHS Arts & TGP Science College, Jamkhandi

Jamkhandi is a historic place once ruled during pre-independence days by Raja Patwardhan of Poona. Foresighted Raja Patwardhan was a lover of education and started educational institution at higher secondary level in a giant building in the heart of the town. He extended

his co-operation and support for spreading education till the last day of his regime.

There were no higher educational institutes in Jamkhandi for the aspirants of this area to pursue higher education. However, Raja Patwardhan continued his support and help by inviting outstanding students of this area to Poona for continuing higher education in S.B. College and provided free board and lodging facilities even during post-independence days. This was not sufficient enough to cover all the people belonging to economically, educationally, socially backward classes.

The need arose to fulfill the basic demand of the common people. Under such circumstances, selfless service organisation, the B.L.D.E. Association started Commerce, B.H.S. Arts and T.G.P. Science College at Jamkhandi in 1963 and housed in the beautiful palatial buildings situated on the hillocks of Jamkhandi. The College has been permanently affiliated to Rani Channamma University, Belagavi.

The liberal donation from Smt Bhagirathibai Hanumantagouda Savakar of Bidari (B.H.S.) and Sri Gurusiddappagouda Patil of Tungal (T.G.P.) made the task of providing the necessary infrastructure to this college more simple. The college was named after the donors to commemorate it. Started with a meager number of just 200 students in the beginning, the strength has now risen up to more than 5000. By envisioning the instinctive talents of this semi-urban area, this college has been adding knowledge and experience to the students of Krishna River belt in its own unique way.

The college has been imparting education in Arts, Science, Commerce, BBA & BCA at the under graduate level i.e. B.A., B.Sc., B.Com., B.B.A., B.C.A. and M.A. (History & Archaeology), M.A. (Political Science), M.Com., and M.Sc. (Mathematics) at the post graduate level and has

become attractive centre for students from far and wide. The college has celebrated silver jubilee during the academic year 1990-91 and heading to celebrated golden jubilee during the year 2016-17. The composite Degree college was bifurcated into Pre- University College and Degree College in the year 2002. Since then it is functioning as independent Degree College. Over the period of 54 years, the college has also recorded in its name in producing graduates who have now been serving in national and international sceneries.

The trained and well qualified teaching and non-teaching staff of the college is doing its best. To add academic flavour to it, the college includes 18 Ph.D. and 5 M.Phil laureates to its privilege.

N.C.C., N.S.S., Scouts & Guides, Placemen Cell, Youth Red cross, Nature Club and S.W.O. wings of the college have been functioning to fulfill the aims and objectives satisfactorily, for which they have been formed. There are well-equipped laboratories and library with large number of books including volumes of recent editions and publications. Computer Science, Physics and Electronics, Bio-tech departments have also been shaping the students to fit them for technical jobs. Well-furnished sports department has been training the students to the standards of University blues in various games every year. The college has produced national and international level sportsmen. Since the inception of the college, it is known for its mode of conduct of examination and is a model in the entire area coming under the jurisdiction of the Rani Channamma University. So for 57 students of our college have secured ranks at the University level till the last academic year 2014-15.

Swimming Pool, Ladies hostel, Gents hostel, Health Fitness Centre, Historic Mammoth Polo ground, Botanical garden with special and very rare species and campus with over 54 acres 31 guntas of land are the special features of this college. The college Library is housed in B.L.D.E. Association's Centenary Memorial Building which was constructed during the academic year 2010-11 at a cost of Rs. 1.14 crore and was inaugurated at the holy hands of Poojya Sri Shiddeshwar Swamiji of Jnan Yogashram, Vijayapur.

The college was recognised by the University Grants Commission and was included in the list of 2(f) and 12B of the UGC Act, 1956. The college has been re-accredited by the National Assessment and Accreditation Council (NAAC) with "A" grade during the academic year 2009-10. The college has been Accredited 'A' Grade with CGPA 3.32 by NAAC in its 3rd cycle in the year 2016. The College Development Committee has been guiding, supervising and facilitating to improve the campus activities qualitatively.

MISSION

EDUCATING STUDENTS QUALITATIVELY, HOLISTICALLY &
ETHICALLY FOR DEVELOPING THE LATEST SKILLS
AND COMPETENCIES TO MAKE THEM FACE
THE COMPETITIVE WORLD WITH **CONFIDENCE**

About the BLDE Association.....

An educationally backward then undivided Bijapur District had a bright ray of hope when the Bijapur Lingayat District Education Association (B.L.D.E. Association) was originated on 23-10-1910 with the sole aim of educating the people of this area under the bold and revolutionary leadership of Vachana Pitamaha Dr. P.G. Halakatti with its head office at Vijayapur. Literary lovers like Sri S. A. Sardesai, Sri. Mallappa Desai, Sri. S.A. Deshmukh, Sri Babasaheb Sardesai and Sri A. C. Angadi (Advocate) shouldered the developmental responsibility of the Association from 1915 to 1940. His Holiness Sri Banthanal Sanganabasava Swamiji blessed and graced it to another phase of growth for a period of 26 years from 1943 to 1969. Timely and liberal donation of 54 acres of land made by Smt. Bangaramma Sajjan to the Association marked and encouraged it to anchor its foundations yet more firmly.

The Former Minister, Pioneer Architect and General Secretary of the Association Late Sri B. M. Patil and Late Sri B. D. Jatti, Ex Vice President of India devoted their entire life to modernize the Association to bring it to its zenith in all respects. The dedicated service and sacrifice of all the pioneers and torchbearers is written in golden letters in the annals of history of Association.

Despite the fact of drought hitting this area almost every year, the Association is making a steady and sure progress in the field of education. The Association is carrying a great mission of imparting quality education and regenerating traditional and cultural values of life.

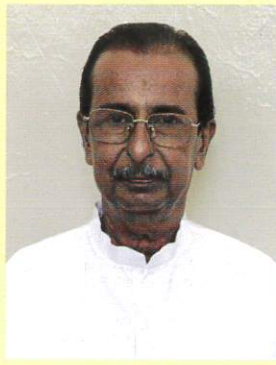

The present President, former Member of Parliament and Minister for Water Resources, Govt. of Karnataka Dr M. B. Patil has now been running the Association with his utmost dedication, service, enthusiasm and able administration which has been appreciated and recognised every where. Under his charismatic, elite and lively leadership, the Association has progressively been rushing forward by leaps and bounds. He has been a main voice in revolutionising and enlightening this backward area on modern lines.

The present office bearers Sri B. R. Patil (Lingadalli) and Sri V.V. Nimbale as the Vice-Presidents and Sri G. K. Patil as the General Secretary & Treasurer have joined their co-operative hands to keep the light and glory of the Association glowing brightly and proudly. They have been sparing their time and energy in the preparation of plans to project the Association to national level.

Thanks to the dauntless spirit of the governing body. In a span of a 108 years, the Association has become

Dr. M.B. Patil MLA
President & Chairman

Shri G.K. Patil
General Secretary & Treasurer

one of the premiere educational institutions in Karnataka. It is note worthy that the Association has been running 75 educational institutions today, including an engineering and a medical college. B.L.D.E. University has been established in the year 2008. Each institution is unique of its kind pursuing academic excellence. Credit goes to all who have worked hard to realize the dreams and desires of people of this area.

JAMKHANDI is a historic place once ruled during pre-independence days by Raja Patwardhan of Poona. Foresighted Raja Patwardhan was a lover of education and started educational institution at higher secondary level in a giant building in the heart of the town. He extended his co-operation and support for spreading education till the last day of his regime.

There were no higher educational institutes in Jamkhandi for the aspirants of this area. However, Raja Patwardhan continued his support and help by inviting outstanding students of this area to Poona for continuing higher education in S. B. College and provided free boarding facilities even during post-independence days. This was not sufficient to cover all the people belonging to economically, educationally, socially backward classes.

Dr. R.V. Kulakarni
Administrator

Under such circumstances, selfless service was provided by the B.L.D.E. Association by starting the Commerce, B.H.S. Arts and T.G.P. Science College at Jamkhandi in 1963 which is housed in the beautiful palatial buildings situated on the hillocks of JAMKHANDI.

The liberal donation from Smt Bhagirathibai Hanumantagouda Savakar of Bidari (B.H.S.) and Sri Gurusiddappagouda Patil of Tungal (T.G.P.) made the task more simple by providing the necessary infrastructure to this college. The college was named after the donors to commemorate their action. Initially starting with a meager number of 200 students, the strength has now risen to a mammoth of 5000. By envisioning the instinctive talents of this semi-urban area, this Institute has been adding knowledge and experience to the students of Krishna River belt in its own unique way.

The College has been permanently affiliated to Rani Channamma University, Belagavi. The college has been imparting education in Arts, Science, Commerce, BBA & BCA at the under graduate level i.e. B.A., B.Sc., B.Com., B.B.A., B.C.A. and M.A. (History & Archaeology), M.A. (Political Science), M.Com., and M.Sc. (Mathematics) at the post graduate level and has become an attractive centre for students from far and wide.

The college has celebrated silver jubilee during the academic year 1990-91 and celebrated golden jubilee during the year 2016-17. The composite Degree college was bifurcated into Pre- University College and Degree College in the year 2002. Since then it is functioning as an independent Degree College. Over the period of 55 years, the college has also recorded its name in producing graduates who have now been serving at national and international sceneries.

The trained and well qualified teaching and non-teaching staff of the college is doing its best. In addition the college has 18 Ph.D. and 5 M.Phil laureates to its privilege.

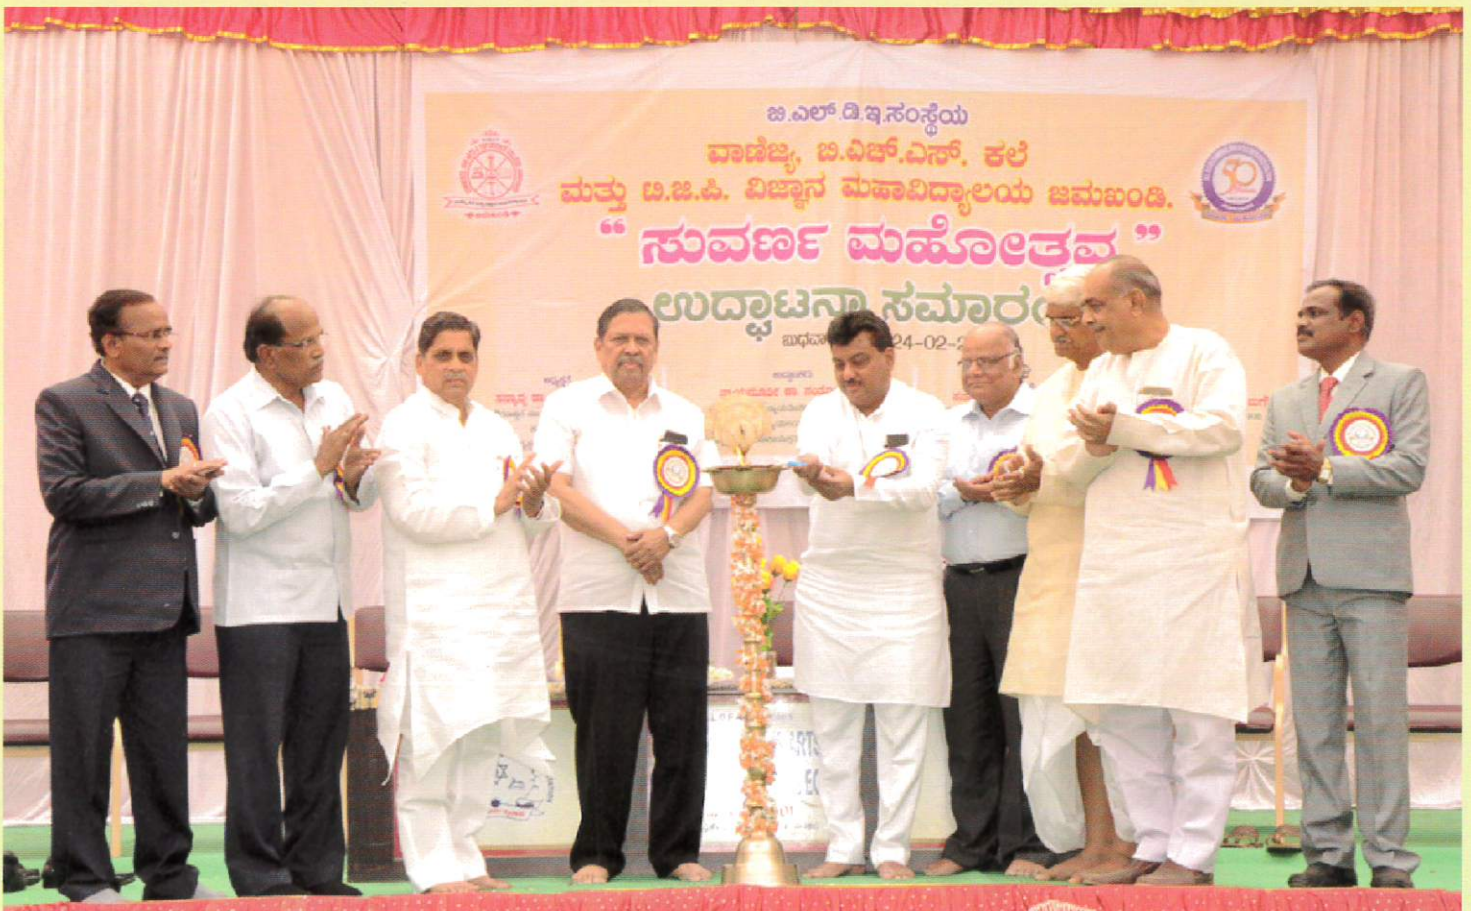

Dr. S. C. Hiremath Principal

N.C.C., N.S.S., Scouts & Guides, Placement Cell, Youth Red Cross, Nature Club and S.W.O. wings of the college have been functioning to fulfill the aims and objectives satisfactorily, for which they have been formed. There are well-equipped laboratories and library with large number of books including volumes of recent editions and publications. Computer Science, Physics and Electronics, Bio-tech departments have also been shaping the students to fit them for technical jobs. Well-furnished sports department has been training the students to the standards of University blues in various games every year. The college has produced national and international level sportsmen. Since the inception of the college, it is known for its mode of conduct of examination and is a model in the entire area coming under the jurisdiction of the Rani Channamma University. So far 65 students of our college have secured ranks at the University level till the last academic year 2016-17.

Swimming Pool, Ladies hostels, Gents hostels, Health Fitness Centre, Historic Mammoth Polo ground, Botanical garden with special and very rare species, spread over the campus of 54 acres 31 guntas are the special features of this college. The college Library is housed in B.L.D.E. Association's Centenary Memorial Building which was constructed during the academic year 2010-11 at a cost of Rs. 1.14 crore and was inaugurated at the holy hands of Poojya Sri Shiddeshwar Swamiji of Jnan Yogashram, Vijayapur.

The college was recognised by the University Grants Commission and was included in the list of 2(f) and 12B of the UGC Act, 1956. The college has been re-accredited by the National Assessment and Accreditation Council (NAAC) with "A" grade during the academic year 2009-10. The college has been Accredited 'A' Grade with CGPA 3.32 by NAAC in its 3rd cycle assessment in the year 2016. The College Development Committee has been guiding, supervising and facilitating to improve the campus activities qualitatively.

About the BLDE Association.....

An educationally backward then undivided Bijapur District had a bright ray of hope when the Bijapur Lingayat District Education Association (B.L.D.E. Association) was originated on 23-10-1910 with the sole aim of educating the people of this area under the bold and revolutionary leadership of Vachana Pitamaha Dr.P.G.Halakatti with its head office at Vijayapur. Literary lovers like Sri S. A. Sardesai, Sri. Mallappa Desai, Sri. S.A. Deshmukh, Sri Babasaheb Sardesai and Sri A. C. Angadi (Advocate) shouldered the developmental responsibility of the Association from 1915 to 1940. His Holiness Sri Banthanal Sanganabasava Swamiji blessed and graced it to another phase of growth for a period of 26 years from 1943 to 1969. Timely and liberal donation of 54 acres of land made by Smt. Bangaramma Sajjan to the Association marked and encouraged it to anchor its foundations yet more firmly.

The Former Minister, Pioneer Architect and General Secretary of the Association Late Sri B. M. Patil and Late Sri B. D. Jatti, Ex Vice President of India devoted their entire life to modernize the Association to bring it to its zenith in all respects. The dedicated service and sacrifice of all the pioneers and torchbearers is written in golden letters in the annals of history of Association.

Despite the fact of drought hitting this area almost every year, the Association is making a steady and sure progress in the field of education. The Association is carrying a great mission of imparting quality education and regenerating traditional and cultural values of life.

The present President, former Member of Parliament and Minister for Home Affairs, Govt. of Karnataka Dr M. B. Patil has now been running the Association with his utmost dedication, service, enthusiasm and able administration which has been appreciated and recognised every where. Under his charismatic, elite and lively leadership, the Association has progressively been rushing forward by leaps and bounds. He has been a main voice in revolutionising and enlightening this backward area on modern lines.

The present office bearers Sri V.V. Nimbale as the Vice-President and Sri G. K. Patil as the General Secretary & Treasurer have joined their co-operative hands to keep the light and glory of the Association glowing brightly and proudly. They have been sparing their time and energy in the preparation of plans to project the Association to national level.

Thanks to the dauntless spirit of the governing body. In a span of a 109 years, the Association has become

one of the premiere educational institutions in Karnataka. It is note worthy that the Association has been running 75 educational institutions today, including an engineering and a medical college. B.L.D.E. University has been established in the year 2008. Each institution is unique of its kind pursuing academic excellence. Credit goes to all who have worked hard to realize the dreams and desires of people of this area.

Shri Gurusiddappagouda Patil of Tungal (TGP)

JAMKHANDI is a historic place once ruled during pre-independence days by Raja Patwardhan of Poona. Foresighted Raja Patwardhan was a lover of education and started educational institution at higher secondary level in a giant building in the heart of the town. He extended his co-operation and support for spreading education till the last day of his regime.

There were no higher educational institutes in Jamkhandi for the aspirants of this area. However, Raja Patwardhan continued his support and help by inviting outstanding students of this area to Poona for continuing higher education in S. B. College and provided free boarding facilities even during post-independence days. This was not sufficient to cover all the people belonging to economically, educationally, socially backward classes.

Under such circumstances, selfless service was provided by the B.L.D.E. Association by starting the Commerce, B.H.S. Arts and T.G.P. Science College at Jamkhandi in 1963 which is housed in the beautiful palatial buildings situated on the hillocks of JAMKHANDI.

The liberal donation from Smt Bhagirathibai Hanumantagouda Savakar of Bidari (B.H.S.) and Sri Gurusiddappagouda Patil of Tungal (T.G.P.) made the task more simple by providing the necessary infrastructure to this college. The college was named after the donors to commemorate their action. Initially starting with a meagre number of 200 students, the strength has now risen to a mammoth of 5000. By envisioning the instinctive talents of this semi-urban area, this Institute has been adding knowledge and experience to the students of Krishna River belt in its own unique way.

The College has been permanently affiliated to Rani Channamma University, Belagavi. The college has been imparting education in Arts, Science, Commerce, BBA & BCA at the under graduate level i.e. B.A., B.Sc., B.Com., B.B.A., B.C.A. and M.A. (History & Archaeology), M.A. (Political Science), M.Com., and M.Sc. (Mathematics) at the post graduate level and has become attractive centre for students from far and wide.

The college has celebrated silver jubilee during the academic year 1990-91 and celebrated golden jubilee during the year 2016-17. The composite Degree college was bifurcated into Pre- University College and Degree College in the year 2002. Since then it is functioning as independent Degree College. Over the period of 56 years, the college has also recorded its name in producing graduates who have now been serving at national and international sceneries.

The trained and well qualified teaching and non-teaching staff of the college is doing it's best. In addition the college has 18 Ph.D. and 5 M.Phil laureates to its privilege.

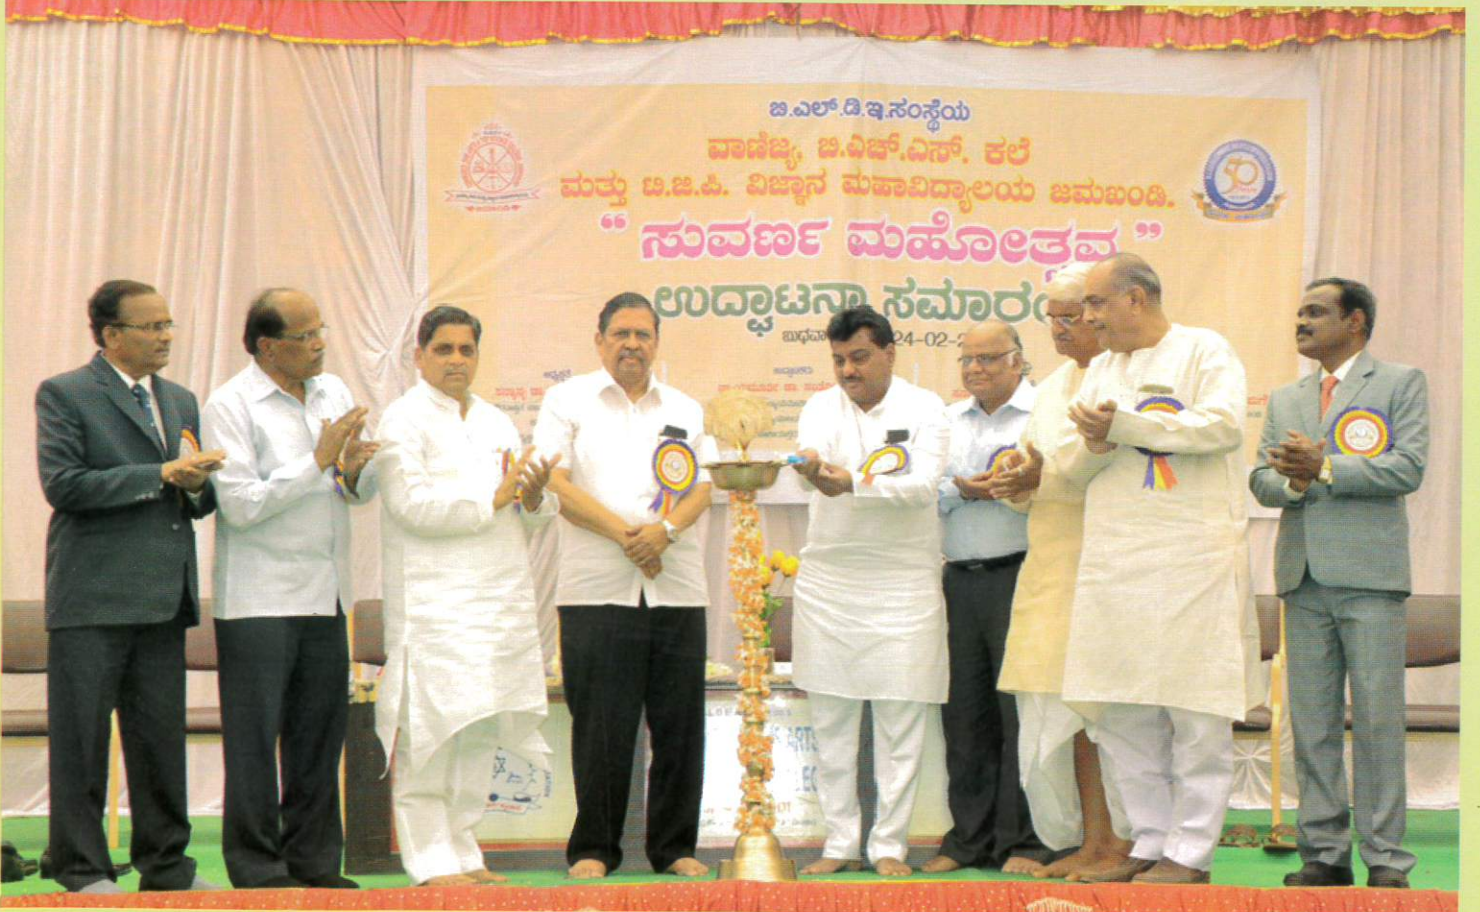

Dr. M.B. Mulimani Principal

N.C.C., N.S.S., Scouts & Guides, Placement Cell, Youth Red Cross, Nature Club and S.W.O. wings of the college have been functioning to fulfill the aims and objectives satisfactorily, for which they have been formed. There are well-equipped laboratories and library with large number of books including volumes of recent editions and publications. Computer Science, Physics and Electronics, Bio-tech departments have also been shaping the students to fit them for technical jobs. Well-furnished sports department has been training the students to the standards of University blues in various games every year. The college has produced national and international level sportsmen. Since the inception of the college, it is known for its mode of conduct of examination and is a model in the entire area coming under the jurisdiction of the Rani Channamma University. So far 72 students of our college have secured ranks at the University level till the last academic year 2018-19.

Swimming Pool, Ladies hostels, Gents hostels, Health Fitness Centre, Historic Mammoth Polo ground, Botanical garden with special and very rare species, spread over the campus of 54 acres 31 guntas are the special features of this college. The college Library is housed in B.L.D.E. Association's Centenary Memorial Building which was constructed during the academic year 2010-11 at a cost of Rs. 1.14 crore and was inaugurated at the holy hands of Poojya Sri Shiddeshwar Swamiji of Jnan Yogashram, Vijayapur.

The college was recognised by the University Grants Commission and was included in the list of 2(f) and 12B of the UGC Act, 1956. The college has been re-accredited by the National Assessment and Accreditation Council (NAAC) with "A" grade during the academic year 2009-10. The college has been Accredited 'A' Grade with CGPA 3.32 by NAAC in its 3rd cycle assessment in the year 2016. The College Development Committee has been guiding, supervising and facilitating to improve the campus activities qualitatively.
